

PHARMACY BOARD[657]**Notice of Intended Action**

Twenty-five interested persons, a governmental subdivision, an agency or association of 25 or more persons may demand an oral presentation hereon as provided in Iowa Code section 17A.4(1)“b.”

Notice is also given to the public that the Administrative Rules Review Committee may, on its own motion or on written request by any individual or group, review this proposed action under section 17A.8(6) at a regular or special meeting where the public or interested persons may be heard.

Pursuant to the authority of Iowa Code sections 147.76 and 155A.6, the Board of Pharmacy hereby gives Notice of Intended Action to amend Chapter 4, “Pharmacist-Interns,” Iowa Administrative Code.

The amendments were approved at the November 6, 2013, regular meeting of the Board of Pharmacy.

The proposed amendments revise the requirements for pharmacist-intern registration, the number of hours required, and reporting of completed internship training. The Board has determined that the college-based training included in the college curriculum provides adequate prelicensure training and that requiring a pharmacist-intern to obtain additional training and credit outside the school year is not necessary. A student, prior to commencing internship training and experience, is required to register as a pharmacist-intern, and the Board and the Iowa colleges of pharmacy have agreed that, to ensure timely registration, a student must register at the beginning of the first professional year in the college of pharmacy. The proposed amendments eliminate the requirements for completion and submission of the “internship booklet” certifying the competencies of the pharmacist-intern under the supervision of each pharmacist and, except for specific circumstances, eliminate the requirements relating to affidavits of internship training. The proposed amendments also reorganize and clarify the internship requirements for foreign pharmacy graduate licensure candidates.

Requests for waiver or variance of the discretionary provisions of Board rules will be considered pursuant to 657—Chapter 34.

Any interested person may present written comments, data, views, and arguments on the proposed amendments not later than 4:30 p.m. on December 31, 2013. Such written materials may be sent to Terry Witkowski, Executive Officer, Board of Pharmacy, 400 S.W. Eighth Street, Suite E, Des Moines, Iowa 50309-4688; or by e-mail to terry.witkowski@iowa.gov.

After analysis and review of this rule making, no impact on jobs has been found.
